June 2017

Dear Parent/Carer

I am pleased to inform you that your daughter has been selected to represent the school in the annual Big Bang Fair Engineering and Science National Competition. The event will be held at the University of Hertfordshire on Thursday, 5th July, 2018.

The event is a fun day, encouraging the students to look at how different schools have tackled engineering problems and for the girls to enter the projects that they have been working on all year in their Young Engineer Club. Refreshments and lunch will be provided.

We will travel by coach, departing at 8.30am and returning at approximately 5.00pm (traffic permitting). Students will need to be collected or be prepared to make their own way home from school as we may miss the school contract buses.

Please complete the consent slip below and return to Mrs McSorley by return.

Yours sincerely

Mrs L McSorley
Design & Technology Teacher
