Science

Engineering

If your daughter/son wishes to snowboard an additional cost may be involved, but this can be organised if anyone shows an interest.

International School Award
2011-2014

If you wish to secure a place for your daughter/son on this trip you will need to pay a **£200.00 non-refundable deposit** via ParentPay. However, there are only **45 places available** and to make it as fair as possible these will be made available on a first come, first served basis. To allow time to consider this trip, ParentPay will go live for the deposit payment at **10am on Wednesday 3rd February 2016**. If the places are not taken immediately, ParentPay will close for deposits on **Wednesday 10th February 2016** at 10am as a deposit payment will need to be made to the travel company to secure the price.

Healthy School

Once your daughter/son has committed to the trip you will be expected to pay any costs incurred by the school should she/he wish to drop out at a later date and you will also be bound by the travel company's cancellation policy. It is expected that the rest of the payment will be paid in monthly instalments over the year and a further letter will follow to confirm your daughter/son is successful in obtaining a place and to finalise the remaining payment details.

Yours sincerely
