Dear Parent/Carer

As part of the KS3 National Curriculum in Design and Technology your daughter will use a range of materials to develop her practical skills in Textiles.

To ensure that every student has the correct resources and equipment for each lesson, the school will be supplying **all** materials for each practical activity at cost price to you.

By supplying materials to you we can;

- Reduce the overall cost of materials by buying them in bulk.
- Ensure students build up a repertoire of Textiles skills by using the correct materials.
- Avoid last minute shopping the night before the materials are needed.
- Provide materials at a consistent price, quantity and quality.
- Avoid the need to bring in and often lose materials as they will not leave the Textiles classroom.
- Avoid overbuying fabrics when a small amount is needed.

The overall contribution required for materials for practical work over the full year is **£11 per student**.

How to Pay

Please make payment on ParentPay under the item '2016/17 - Year 9 Textile Resources'. If you have any problems making payment, please contact our Bursar, Mrs Davy by email at st-louise.davy@whsg.info.

Yours sincerely,

Mrs M. Matsi
