10th November 2017

Dear Parent/Carer

As part of the Key Stage 3 National Curriculum in Design and Technology, your daughter will be undertaking a practical project this year in Textiles which will help develop her practical skills.

To ensure that every student has the correct resources and equipment for this project, the school will be supplying **all** materials at cost price to you.

Science

This will help us to:

Engineering

- Reduce the overall cost of materials by buying them in bulk.
- Ensure students build up a repertoire of Textiles skills by using the correct materials.
- Avoid last minute shopping the night before the materials are needed.
- Provide materials at a consistent price, quantity and quality.
- Avoid the need to bring in and often lose materials as they will not leave the school building until the project is finished.
- Avoid overbuying fabrics when a small amount is needed.

The overall contribution required for materials for this project is **£3.00 per student**.

How to Pay

Please make payment on ParentPay under the item '2017/18 – Year 8 Textile Resources'. If you have any problems making payment, please contact our Finance Officer, Miss Knight by email at st-jane.knight@whsg.info .

Yours sincerely,

Mrs M Matsi
Textiles Teacher
