Dear Parent/Carer

Re. Drama Rehearsals 2016-2017

Your child has their A level/GCSE Drama practical exam during the next academic year.

This is a very important exam that contributes towards their A level/GCSE. Students will be creating and performing an original piece of theatre which will be marked, filmed and sent off to the exam board.

The Drama department will be running extra rehearsal sessions **Thursday after school from 15:30-17:30** and **Wednesday lunch time 12.30 – 13.10**. Although students do not have to attend these rehearsals every week, there will be times in the year when, just as doing revision or homework in other subjects, if students do not put in the time then they will not achieve as highly as they could. I understand that students lead very busy lives and may travel a substantial distance to get to school and thus, I thought it was important for students to put this commitment in their diary early on.

The times of the year when students will be required to attend drama rehearsals are detailed below:

- Year 11 March to May
- Year 12 January to March
- Year 13 November to January

Thank you for your support.

Yours sincerely
