October 2017

Dear Parent/Carer,

It is with pleasure that we write to inform you that your daughter/son has been chosen as a member of the team that will represent the school at the Regional Heat of the UK Mathematics Challenge 2017/18.

This will take place on Wednesday 22nd November 2017 at The Billericay School, School Road, Billericay CM12 9LH. We will be leaving school at 3.00pm and pupils will be transported by car to and from the venue. It is anticipated that we will return to WHSG at approximately 7.30pm. Light snacks will be available at the venue but pupils can bring their own food/drink, if preferred.

This is a national competition which combines mathematical, communication and teamwork skills and offers pupils another way to express and develop their enjoyment of mathematics. In order to promote this work, local media may be invited to come along and report on the event. I would, therefore, be grateful if you could give permission for your daughter/son to be photographed or filmed if she/he is asked, or if she/he is captured in the background of a shot.

Please sign and return the reply slip below to the Mathematics Department by Friday 17th November 2017.

Yours sincerely

Miss A Hooks
Second in Maths
