

Westcliff High School for Girls School's Local Offer

In September 2014 a new Special Educational Needs Code of Practice will come into effect. After this time Local Authorities must publish a Local Offer, setting out in one place information about provision that they expect to be made available for children and young people in their area who have Special Educational Needs. (SEN)

The Local Offer, provided by Southend Borough Council has two key purposes:

- To provide clear, comprehensive and accessible information about the provision available to support disabled children and children with SEN and their families.
- To make provision more responsive to local needs and aspirations by directly involving children and young people with SEND, parents/carers and service providers in its development and review.

Additionally schools have to provide details of the school-specific offer, which we are calling the School Offer. This should reflect the Local Offer and elaborate on it. Further information on what is available from Southend Borough Council can be found at www.southendinfopoint.org

Included as part of these changes to the Code of Practice the main areas of SEN will be slightly altered and will encompass the following four broad areas:

1. Communication and Interaction
2. Cognition and Learning
3. Social, Emotional and Mental Health
4. Sensory and/or Physical

In recognition of these changes we at Westcliff High School are updating our Local Offer of support provided to reflect this. However, this support is currently already in place and is available now. Our School Offer provides details of the resources, interventions etc. that we provide here at Westcliff High School to support children with SEND. Due to the ever changing needs of our children there may be additional support available that has not been covered here in this document. If you would like further information about what we offer then please do not hesitate to contact our SENCo, Mrs C Dell directly.

If you are a new parent or thinking of joining us and what you feel your child may need is not qualified here please ring and make an appointment so that we can discuss your child specifically.

The Local Offer, provided by Southend Borough Council has two key purposes:

- To provide clear, comprehensive and accessible information about the provision available to support disabled children and children with SEN and their families.
- To make provision more responsive to local needs and aspirations by directly involving children and young people with SEND, parents/carers and service providers in its development and review.

Additionally schools have to provide details of the school-specific offer, which we at Westcliff High School for Girls are calling the School Offer. Frequently asked questions

How will I know how my child is doing?

In addition to the normal school reporting process

- Any other information will be communicated with you on an individual basis via your child's Learning

	<p>Manager, SENCO and teaching staff.</p> <ul style="list-style-type: none"> • There is a parent consultation evening once each year where you will have an opportunity to speak to your child's teaching staff. There is one review day with form tutor to discuss progress and learning. • Pupils progress/ learning is monitored and reviewed regularly • Pupils with IEP's have a termly meeting with the SENCO to discuss targets and support strategies. <p>A range of ways will be used to keep you informed which may include:</p> <ul style="list-style-type: none"> • Home/school planner • Letters/certificates home • Contact from school by the Learning Manager or Pastoral Support Co-ordinator • Additional meetings as required • Review day • Parents' evenings
<p>How well does the school know how well my child is doing?</p>	<ul style="list-style-type: none"> • If your child has an ISP you will meet with the SENCO once a term. At this meeting you can update the school as to your perceptions and any recent medical implications. • In addition to the ISP each child has a Personal

	<p>Profile which is regularly updated outside of these termly meetings which identifies strengths and weaknesses and current needs</p>
<p>How will I know what progress my child should be making?</p>	<ul style="list-style-type: none"> • You will receive four Pupil Tracking reports within the year, informing you about your child's progress in each subject area, comparing their current attainment against their target grade. You will also be informed about their attitude to learning in each subject with any celebrations or concerns. You will have access to 'The Gateway' to check on your child's attendance and receive the pupil tracking data.
<p>What are the school's approaches to differentiation?</p>	<ul style="list-style-type: none"> • High quality teaching within the classroom and a personalised approach to learning with the relevant support and adjustments that will maximise a child's learning. • Ensure that all staff working with your child is aware of your child's individual needs and what specific adjustments are needed to enable your child to make progress.
<p>What support is there for behaviour?</p>	<ul style="list-style-type: none"> • SMSC is central to all teaching and learning within the school. • Behaviour management systems in school are based upon encouraging pupils to make a positive decision about behavioural issues. • School provides effective pastoral support.

	<ul style="list-style-type: none"> • The school uses systems that try to their best to ensure peer friendships are maintained and no pupils feels isolated. • Merits and credit system in place to praise/reward effort in class, good work and contribution to the school community. 	
How will my child/young person contribute his/her views and how will the school support my child/young person to achieve this?	<ul style="list-style-type: none"> • Pupil voice mechanisms lead to changes in school practises and procedures and encourage a greater level of involvement. 	
What training are the staff supporting pupils with SEND had or having?	<ul style="list-style-type: none"> • As and when issue arises. 	
What specialist Services are available within or accessible to the school?	Within School	Outside Agencies
	CBT therapist	Educational Psychologist School nurse CAMHS Visual impairment specialist teacher
How will I be involved in discussions about planning for my child's education?	<ul style="list-style-type: none"> • The engagement of child and parents/carers in formulating plans to support their children is central to the work of the school. • The SENCO coordinates all relevant support for children with SEND. This includes additional adult support, intervention, tracking and collaboration with outside agencies and ISP meetings. 	
How will my child be included in activities outside the	<ul style="list-style-type: none"> • Clubs are available before school, lunchtime and 	

<p>classroom including school trips?</p>	<p>after- school. Enrichment activities are available from curriculum subject areas for catch up sessions and sporting events.</p> <ul style="list-style-type: none"> • The school library and ICT rooms are available for all students before school, lunchtime and after school for homework (independent Learning). • Outdoor education offers a different approach to the curriculum which supports children's development
<p>How accessible is the school environment?</p>	<ul style="list-style-type: none"> • The site is accessible to children with physical disability with ramps and lifts.
<p>How will the school prepare and support my child to join the school, transfer to college or the next stage of education and life?</p>	<p>We recognise that moving on can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.</p> <ul style="list-style-type: none"> • In Year 6 your child will have a visit from one of the pastoral support team to find out about them. If your child has additional needs the SENCO will also meet with your child and her teachers in the primary school to plan transition. • We offer a three day transition programme to all students in Year 6 who are transferring to Westcliff High School for Girls. The students have a chance to meet key members of staff, take part in taster lessons and get to know their way around school.

	<p>In some cases we offer additional visits to school.</p> <ul style="list-style-type: none">• If your child is moving to another school, we will contact the SENCO and ensure that they know about any special needs and support.• We will make sure that all records about your child are passed on as soon as possible.• We can arrange connexion/careers interviews for your child• If your child is moving onto university they will be supported by the Head of Sixth Form and the Sixth Form Pastoral support in completing their UCAS form.• We encourage pupils to visit universities to discover and discuss the support that they will require prior to applying.
<p>How the school's resources are allocated and matched to pupils special educational needs?</p>	<ul style="list-style-type: none">• The SENCO will be involved to ensure the necessary support in place.• Your child will be monitored regularly and support adjusted where necessary.• ICT is used to reduce barriers to learning where possible.• Relevant testing will carried out and intervention applied if needed.• Staff will be informed of what adjustment need to

	<p>take place in classroom so your child can access the curriculum. They may be entitled to additional support either in or out of the classroom.</p> <ul style="list-style-type: none"> • Your child may be entitled to special arrangement in exams which could include support or access to a Laptop or receiving extra time to complete exams.
<p>How does the decision made about how much support my child will receive?</p>	<ul style="list-style-type: none"> • The SENCO coordinates all relevant support for children with SEND. This includes additional adult support, intervention, tracking and collaboration with outside agencies. • The engagement of parents/carers in formulating plans to support their children is central to the work of the school.
<p>How does the school communicate with parent/carers whose first language is not English?</p>	<ul style="list-style-type: none"> • If parents make this request we will work with local authority services and buy in this support • At parents' meetings pupils are in attendance and have above average EAL communication skills to translate for their parents
<p>Who should be my first point of contact if I want to discuss something about my child?</p>	<ul style="list-style-type: none"> • For SEND needs the SENCO is first point of contact • The Pastoral Support and Guidance Team: Deputy head Teacher, SENCO, Head of Sixth form, Learning Managers, Pastoral support Team, Attendance officer, teaching assistant, SEN administrator.
